

Ultimate Harvest Experience

Exclusive Experience: Ultimate Harvest Experience

Experience the Symington family's winemaking legacy firsthand with an exclusive three-day program during the harvest. You'll follow each stage of production, from vineyard to winery, gaining rare access to private locations, including their estates. Along the way, members of the Symington family and their team will share their deep connection to the Douro Valley and the craftsmanship behind their iconic wines. This is a unique opportunity to be part of a tradition that has shaped generations of winemakers.

Throughout this experience, you'll connect with the artisans behind the winemaking process, gaining insight into both time-honored traditions and innovative techniques that have shaped their wines. You'll also take part in hands-on activities, from harvest rituals to moments that reflect the rhythm of daily life at their estates.

Each moment offers a rare opportunity to connect with the history, values, and landscape that define Symington wines. Over three unforgettable days, you'll explore the flavors, craftsmanship, and traditions that make this region so special. This memorable experience offers a deep and personal insight into the harvest alongside the Symington family.

Dates of the experience: September 12th, 13th and 14th
